DUG SEHON

Gets His War Paint On and Raises a Row.

Attacks Weston Citizen with Base Ball Club.

Dug Sehon, one of this city's colored fellows, had his Christmas in Weston and he made it appropriate to that town. Dug got wild and wooly on fire-water, such as can be gotten without trouble in Weston but which is calculated to get one into trouble and Dug certainly had troubles of his own that night. There were others in trouble too besides Dug. He and his pal, Arnold Hutchinson, colored, started out to paint the old town red. They attacked Tom Carroll with a base ball club and used him up considerably. He was out about the head and it is feared his skull is fractured. Carroll's assailants were both arrested and jailed to await the grand jury. The affair caused much excitement and for a time it was feared there would be a lynching bee by a mob of indignant citizens. As a precaution against violence the officers removed the two men from the city lock-up to the county jail. The mob was quelled by an address from W. B. McGary, who is a relative of Carroll, in which he assured them that the two colored fellows would be prosecuted to the fullest extent of the law. Sehon has rather a savory reputation and the affair may result seriously for him.

FREIGHT WRECK

Caused at Ehlen Mines by a Broken Rail.

A considerable freight wreck occurred on the Monongah division of the Baltimore & Ohio railroad at 7:30 o'clock Saturday morning at Ehlen coal mines near Shinnston. A freight engine and four cars were derailed. The cause of the wreck was a broken rail. A wrecker's crew was dispatched to the scene from Fairmont. Three hours or more were consumed in clearing the track for traffic. The passenger train from Fairmont did not arrive here until 11 o'clock on account of the delay caused by the wreck. It finally got through by using the coal company's siding. The cars and engine were somewhat demolished but the damage was slight. No one was injured.

MIDGET

Gets a License to Marry—Looked Very Young.

A little man, truly a midget, applied this afternoon for a marriage license and all who happened to be in the county clerk's office became intensely interested. The fellow was Landy L. Eavenson, son of Henry Eavenson, of Monongalia county. He claimed to be 18 years of age but he looked like he might be only 14. His head barely reached above the clerk's desk. His intended bride's age is also 18 years. She was not present and we did not learn her size. She is Susan A. Davis, daughter of John E. Davis, residing in this county. The parties were under age but the parents had given their consent to the marriage and the license was accordingly issued.

XMAS PARTY

Given by Little Miss Ford to Young Friends.

A delightful Christmas party was given at the home of Marguerite Hope Ford by the B. B. Club, who entertained about thirty-five of their friends at a phantom reception. The house seemed a perfect bower of holly and mistletoe. All masks were removed and then games, dancing and music prevailed.

Appropriate refreshments were served and beautifully decorated cards and souvenirs were given each guest, all wishing the club many returns of the day.

A Fatal Mistake

Is Often Made by the Wisest of Clarksburg People.

It's a fatal mistake to neglect backache. Backache is the first symptoms of kidney ills. Serious complications follow. Doan's Kidney Pills cure them promptly.

Don't delay until too late. Until it becomes diabetes—Bright's disease.

Read what a Clarksburg citizen says: Mrs. S. J. Anderson, wife of J. R. Anderson, carpenter, of 370 Clay St., says: "If all suffering from pain across the small of the back, be it mild or aggravated, lasting for a week or two or like mine existing for four years: if all annoyed with trouble from the kidney secretions, the complication rendering the most trivial household work often a drag and making stooping or reaching for an object well nigh impossible, could have the annoyances removed as quickly and quietly as Doan's Kidney Pills procured at Wells & Haymaker's, removed mine then backache or kidney complaint in any form would cease to exist in Clarksburg. I knew after a dose or two of Doan's Kidney Pills were helping and continued the treatment the pain ceased and the action of the kidney secretions became normal. In return for the benefit I received from Doan's Kidney Pills I am more than pleased to recommend them."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute. dec20dec1-w.

REV. BETTES DYNAMITED

Ought to Have Been at Least Is way Many Think.

Rev. Bettes, the 'Cow-boy preacher,' is in a merry swim at Spencer and the City of the Second Asylum is having gay old times not caused by the holiday festivities. On Saturday Rev. Bettes attempted to give an exhibition of throwing the lariat in the court house yard. On complaint of some one he was arrested for trespass, on which charge he was acquitted. He is now preparing a \$5,000 damage suit. Saturday night a piece of dynamite was placed under the Baptist church, in which he is holding services. Fortunately the church was not damaged.

On Sunday night a house said by some to be on the speakeasy order was burned and those opposed to Rev. Bettes are trying to connect his followers with the fire. So it continues and meantime the Reverend is enjoying himself about as much as he used to in the frontier towns.—Ravenswood News.

STOLE BUTTER

Christmas Eve someone stole a tub of butter, 50 pounds, from in front of Hayman & Ooston's store. Will Scruggs, colored, was suspected of the theft because he tried to sell that brand to another grocer. A warrant against him was secured in Squire David's court and given to Deputy Sheriff John M. Knox to execute. Mr. Knox found the tub of butter today at the boarding house of Josephine Day, on Clay street, but has not yet found Scruggs.
